PROFESSIONAL SUMMARY

Highly motivated and collaborative professional with a natural aptitude for leadership and team coordination. Deep understanding of software development processes and project management. Committed to fostering a productive and innovative team environment. Goal is to deliver exceptional software solutions that meet client needs.

WORK HISTORY

Software Engineering Team Lead   09/2022 - Current
Craftsmen Software - Dhaka, Bangladesh

- Led a **5+ member team**, improving productivity by **30%** through mentorship and guidance.
- Optimized resource allocation, reducing project delays by **20%**.
- Conducted **quarterly performance reviews**, increasing developer efficiency by **15%**.
- Managed full SDLC, ensuring **95% on-time delivery** and high-quality standards.
- Implemented Agile, cutting development cycle time by **40%**.
- Built **scalable, secure solutions** with **99.9% uptime**, reducing downtime by **50%**.
- Led code reviews, decreasing bug density by **35%** and enforcing best practices.
- Developed **serverless applications**, cutting infrastructure costs by **40%**.

Software Development Engineer II   08/2021 - 08/2022
Craftsmen Software - Dhaka, Bangladesh

- Built and deployed **serverless applications** using **AWS Lambda**, improving efficiency.
- Led client meetings to gather requirements and provide updates, ensuring **100% alignment**.
- Designed **scalable architectures**, enhancing system performance and reliability.
- Implemented **CI/CD pipelines**, reducing deployment time by **40%**.
- Optimized serverless performance, cutting execution costs by **30%**.
- Resolved complex issues, maintaining **99.9% system uptime**.

Software Development Engineer   09/2019 - 07/2021
Craftsmen Software - Dhaka, Bangladesh

- Designed, developed, and deployed **serverless applications** using **AWS Lambda**.
- Conducted testing and bug fixes, ensuring **high-quality software** with **95% issue resolution**.
- Managed **weekly feature deployments**, maintaining **99% deployment success rate**.
- Collaborated on **complex feature development**, improving team productivity by **20%**.
- Engaged with clients to gather requirements and provide updates, ensuring **100% client satisfaction**.

EDUCATION

BSc: Computer Science & Engineering, 03/2014 – 11/2018
Rajshahi University of Engineering & Technology – Rajshahi, Bangladesh
